A MESSAGE FROM OUR DIRECTOR

The Arts at MU is your "one stop shop" for entertainment, culture, community, and education. This season, travel with us to foreign countries by experiencing the sights and sounds of South Korea, India, Japan, Ireland and Spain - or simply enjoy America's homegrown favorites - Broadway, jazz, Hip Hop, and country. Engage in conversations on important issues such as racism, antisemitism, disability, and addiction that challenge the mind while opening paths to new ways of seeing the world. Join us to think, to feel, to experience, to learn!
