CURRICULAR CONNECTIONS IN THE ARTS

Millersville University's Office of Visual & Performing Arts supports faculty members in their teaching by offering experiential learning through artists sharing their talents and knowledge with students. We are committed to supporting the academic mission of Millersville University through the power of the arts, fostering student connections between MU classes and visiting artists.

Abundant research has confirmed that experience with the arts fosters achievement and growth both in academia and in life. With your help, the Millersville University Office of Visual and Performing Arts strives to provide such opportunities for our students.

If you haven't already discovered the breadth and variety of presentations at our performing and visual arts centers, we strongly encourage you to take full advantage of our world-class music, theater, film, and dance engagements as an educational tool for your students. This guide serves as a resource, highlighting a number of fall semester performances and the courses that may have curricular connections to those performances – and you may find connections that we have missed! Please peruse our full 2025-2026 season brochure of events available at the Ware Center or online at ArtsMU.com.

VISITING ARTISTS AND RESIDENCIES

Guest artists offer Millersville students and faculty members unforgettable personal interactions via classroom visits, master classes, panel discussions, lecture-demonstrations, and social events. Each term, we offer a number of opportunities for the campus community to interact with visiting artists who come to perform. These occasions can both enrich the performance experience and illuminate the artistic, social, political, or spiritual aspect of the artists' work for your students. A schedule of artist availability for such complementary programming can be found on the artists' pages in this guide. If you see a curricular connection that we can pursue together, your students will thank you for it!

To schedule PERFORMANCE and RESIDENCY OPPORTUNITIES: Contact Barry Kornhauser, Assistant Director of Campus & Community Engagement at Barry.Kornhauser@millersville.edu or call x7812.
